Thinkibility – 29 Day Challenge

Day 11 - Info

Focus on the information.

Police sources have reported that unidentified individuals planted a bomb in front of a Mormon Church in Talcahuano District. The bomb, which exploded and caused property damage worth 50,000 pesos, was placed at a chapel of the Church of Jesus Christ of Latter-Day Saints located at No 3856 Gomez Carreno Street. (Source)

- What information is given?
- What information is not given, but implicit in the given information?
- What information is missing or left out
- What information is most relevant, but not available (So called Cassandra information)

It is helpful to underline the words that convey bits of information, or hinting at not yet available information
